Technology in Safe Schools:
Technologies to Support SSHS Initiatives

National Center for Mental Health Promotion and Youth Violence Prevention

Project Directors' Consortia Meeting

Washington, DC

August 5, 2009

Brad Linville, PD

John Rosiak, TAS

"I need someone well versed in the art of torture—do you know PowerPoint?"

Why Technology in Safe Schools?

- Research on school climate…
- SSHS requires lots of activities…
- D, V, MH, PB, ECE, SEL plus…
- Element One—Safe School Environment
- People are key…
- Technology only as good as the people…

Purpose (for Project Directors)

What does this issue of

"Technology in Safe Schools"

mean to you?

Technology for Safe Schools

- Surveillance Equipment
- Metal Detection
