and Youth Violence Prevention

## Evaluation Resources

Evaluation Meeting  
January 14-15, 2010  
Washington, DC

## National Center for Mental Health Promotion and Youth Violence Prevention

### QUESTIONS

1. Have you ever gotten frustrated with the evaluation process?
2. Have you wondered where can I find more reliable information?
3. Have you ever completed a report and not really told the WHOLE story of your educational efforts?

# National Center for Mental Health Promotion and Youth Violence Prevention

## QUESTIONS

4. Have you wondered how to take the data you have collected and tell the success stories of your programs?
5. Have you ever found you had wonderful programs but could not communicate your successes to others?
