# Leading Implementation for Systems Change

**December 3-4, 2008**

**Albuquerque, N.M.**

# Good Morning!

- Welcome to Albuquerque
- Who's here
  - Federal Welcome
  - 2007 SS/HS Teams
  - TASs

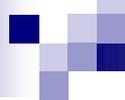

# Objectives

1. Apply a **broad view of leadership** that draws on qualities and skills across the CMT and extended partnership
2. Move from **buy-in to joint ownership** that results in systems change.
3. **Use evaluation results that engage partners** and work toward sustainability.

“

# Objectives continued

4. Manage the project to making a difference—**move from implementation to systems change.**
5. Identify and address **common implementation issues across disciplines.**
6. Plan the **consultation site visit** to strengthen the CMT and partnerships.
