CASEL's mission is to enhance children's success in school and life by promoting coordinated, evidence-based social, emotional, and academic learning as an essential part of education from preschool through high school. CASEL website includes that addresses key issues in implementing and sustaining SEL program. For example, the website includes information on leadership, the connection between SEL and academics, implementing and sustaining programming, and assessment. For specific implementation information, go to <http://www.casel.org/implement/guidance.php>

[The National Implementation Research Network \(http://nirn.fmhi.usf.edu/\)](http://nirn.fmhi.usf.edu/): The Network is comprised of researchers, program developers and stakeholders interested in or engaged in the development, research, implementation and replication of evidence-based programs and practices.

[The Promising Practices Network \(http://www.promisingpractices.net/\)](http://www.promisingpractices.net/) is dedicated to providing quality evidence-based information about what works to improve the lives of children, youth, and families. The PPN site features summaries of programs and practices that are proven to improve outcomes for children. The website includes a section that defines implementation and provides information on why implementation is important, how it can be achieved, and how to measure it in practice (<http://www.promisingpractices.net/sd3.asp>).
