

Safe Passages Partners Meeting

February 2, 2010

Meeting Notes

What is working:

1. CDP

- Positive Solutions (parents)/Teaching Pyramid (teachers); need more on-site TA
- SST Professional Development; need ongoing TA
- .4 LSP working with Title I sites and preschools; increase alignment with mental health consultants and Teaching Pyramid

2. Civic Center & Hilltop County Schools

- Safe Passages demonstrated success with “wellness center”; how do we continue to fund this work? Can we bring sites into Wellness Initiative? Look at special needs of Civic Center and Hilltop students to design program

3. Staffing

- Look at ways to maintain at least a 1.0 FTE LSP (school social worker) at school sites

4. Violence Prevention

- ART expansion
- Safe School Ambassadors; continue to collaborate with Community Matters
- Positive Peer Norms Campaign (web site) – continue building over next few years
- Look at ways to increase collaboration between JPD and SFUSD (TARC; Designated PO for identified schools)
- Collaborate with other violence prevention initiatives in city and with CBOs
- Bring Peer Court to scale
- Curriculum (district to continue moving this forward)

5. Substance Use Prevention

- YOW program (very cost effective; look for means to sustain; collaborate with DCYF on grants; SMSHA funding?)
- BIS

6. Counseling and Mental Health Services

- Single point of contact with DPH/CBHS (looking into funding via MediCal for 2011-2012)
